Dear Sir:

Responsive to the Notice of Action dated May 17, 2006.

In the Specification:

Please replace the following amended paragraphs:

Page 6, paragraph 1, lines 1 to 6 insert the following paragraph:

As will be apparent to one of skill in the art, the battery or conductive paths may be formed on the substrate in a variety of ways, for example, printed onto the substrate, formed onto the substrate, or formed or printed onto an ~~interleaving~~ intervening layer or other similar construction between the battery and substrate. It is to be understood that all of these arrangements are included in the meaning of the phrase "formed on the substrate".
